November 13, 2007: OCS map no. B-6890 by Michael L. Oestreich, RLS. The survey map indicates the corner is monumented by a 2.4" dia. ironpipe found in place.

January 31, 2014: I found and accepted Oestreich's monument, a 2-1/4" diam. iron pipe flush with the ground surface. Surveyor Oestreich has indicated that the preparation of a USPLS Monument Record is on his "to do" list.

The coordinates shown were derived from a direct RTN GPS observation referenced to the WISCORS network.

(c) (d) (e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed.
