

CERTIFIED LAND CORNER RESTORATION

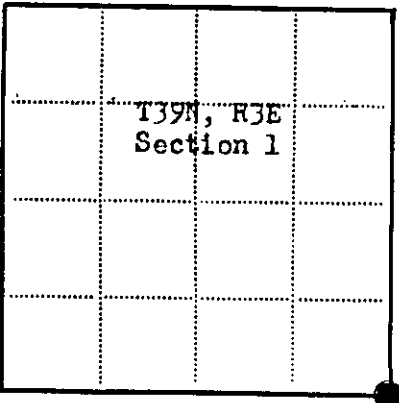

State of Wisconsin }
County of Price } ss.

I, Elwood L. Olson, do hereby certify that on the 26th day of April, 1973, I found evidence of the Section corner of Sections 1-6-7-12 Township 22 North, Range 3 and 4 East, Fourth Principal Meridian, as described hereon; and that from this evidence I established a new monument and accessories as described hereon to perpetuate the original location of this corner:

Description of original monument and accessories and subsequent restorations:
From B.L.M. Resurvey notes of 1936: Set cylindrical concrete monument 24" long, 6" dia., with 3/2" brass tablet on top marked "T39N, R3E, R4E, S1, S6, S7, S12, 1936." From which the remains of the original bearing trees: Fallen Cedar 14" brs. S42°E, 10 links; Fallen Cedar 10", brs. N48°E, 20 links; Fallen Cedar 12", brs. S51°W, 26 links; Birch stump brs. N59°W, 23 links. New bearing trees: Tamarac 4", N89 1/2°E, 60.1 feet; Tamarac 4", S76-3/4°E, 87.1 feet; W. Birch 5", S32 1/2°W, 73.3 feet; W. Birch 7", N83 1/4°W, 141.9 feet. 463 feet south, leave alder swamp.

Description of corner evidence found:
Found the 1936 B.L.M. monument, in place, in an alder swamp, leaning north. Set the monument upright, firmly in ground, extending 5" above swamp level. Found old windfall evidence of the three original cedar bearing trees at the bearing and distance given in the 1936 resurvey notes. I found the 1936 B.L.M. bearing trees as follows: W. Birch 9", N83°W, 141.9 feet, scribing visible; Rotted Tam. stump with scribe marks, 9" dia., N89°E, 60 feet; Decayed windfall Tam., 6" dia., with scribe marks, S77°E, 87 feet; Rotted W. Birch stump, S32°W, 73.3 feet.

Description of monument and accessories I established to perpetuate the original location of this corner:
Set iron sign post 0.8 feet south of corner.
Blazed and scribed a new bearing tree as follows:
W. Birch 11", N12°E, 131.2 feet.
Found an old scribed cedar post alongside of corner monument. Set this post N. and alongside of cor. monument.
